

How to Run GenderMag with the Tool in a Distributed Setting (Zoom)

Everyone (all group members) - will communicate through Zoom

1. Install Zoom
2. Join the Zoom meeting using the link sent out by recorder + driver

Recorder + Driver:

1. Install GenderMag Recorders Assistant Tool
2. Share Zoom meeting link with other team members
3. Share screen
4. Record all comments
5. Drive the prototype

Facilitator:

1. Start the GenderMag session

Notes:

- Recorder + Driver can grant access to other member as per requirement
